

Sir William Borlase's Grammar School  
Pupil Premium Statement

The financial allocation of pupil premium for the period 1 June 2011 to 31 August 2012 was £2260. We used these funds to ensure pupil access in each teaching location to a good dictionary and thesaurus. Access to a weekly 'quiz bank' for form tutors enabled inclusive cross-year group activity and the school continues to provide specialist counselling support to pupils as and when required. Excess funds were transferred into the current year's budget.

During their visit in July OFSED reported: The school has very few disabled students or with special educational needs. These students achieve similarly to their peers in lessons and over time.

Through the current year, as well as building on the above, the school will be including literacy as a target area, introducing new activities and support across the wide pupil population.
