

GCSE Results 2018

“Congratulations to all our GCSE students this year on their excellent examination results! This was the first year of the brand new specifications and the new Assessment system for all subjects other than English and Maths. We are delighted to see that 20% of grades were awarded the Level 9 (the A**) with 7 students achieving all Level 8s (A*) and 9s. Simply stunning achievements! Among the exceptional individual achievements, there were three students Ella Williamson, Charlie Evans and Raphael Conte who achieved 9 x Level 9s and a Level 8!

Overall the students, their teachers and parents can feel very proud with 87% of grades awarded at 6-9. These successes are the result of hard work throughout the courses by the students and a lengthy period of revision supported by our dedicated teaching staff. Most of the students are settled on their A Level courses to take them forward on the next steps to fulfilling their ambitions. We wish them all the very best!”

Kay Mountfield, Headteacher
