The School

Welcome to Borlase

Welcome to Sir William Borlase's Grammar School, where we are proud of our heritage as we approach our 400th birthday and excited to be inspiring and empowering the aspirations of our students today. A state-funded school in the centre of Marlow, Borlase is recognised for excellent academic learning and an outstanding extra and super-curricular programme.

History

Founded in 1624 on the same site we occupy today, the brick and flint Cloisters, clock tower and Chapel of Borlase share a street with Mary Shelley's cottage where she wrote Frankenstein, TS Eliot's house and the original site of the Royal Military College now at Sandhurst.

At Borlase we are proud of our long history of providing education to the young people of Marlow and surrounding areas since 1624. The school was built on a strong principle: the desire to enable children from all socioeconomic backgrounds to have the opportunity to learn and meet their potential.

Today

Our school has a very special energy that springs from a contagious enthusiasm for learning across all subjects; this extends well beyond the classroom through the many independent project groups, academic clubs and societies that flourish at school on a daily basis.

The calendar is full of opportunities to enrich learning through trips, visits, practical explorations and independent research. Borlasians aspire to achieve their best academically and personally and are unashamedly ambitious in those aims. High achievement comes from the genuine enjoyment of learning and we are committed to fostering that enjoyment in and outside the classroom.

Our teachers are all specialists in their chosen disciplines who are passionate about creating learning experiences that provoke independent thinking and creativity.

Our future

We continue to look forwards, always inspired to provide the very best opportunities for our students. We have recently embarked upon a major programme of investment in our site. A new sports centre was opened in 2021 and a new school refectory in 2023.

Working at Borlase

A professional community

In joining the staff at Borlase, you would become part of a professional community dedicated to improvement. We invest heavily in staff professional development, but we believe that in a high-performing culture such as ours, the most effective professional growth comes through learning from others in the community and becoming more adept at self-regulated improvement.

We are recognised by the High Performance Learning organisation as a World Class School; testament to the commitment to research-led best practice that we have established at Borlase for over a decade.

We work closely with the local Teaching Hub to provide training for staff at all levels, including NPQs. We also support members of staff to work towards academic qualifications such as Masters degrees and educational doctorates.

Staff benefits

The children of members of staff are given priority in the admissions process in the event of oversubscription. Please see the school's admissions policy for more details.

We have a two-week October half term and there are extensive opportunities to accompany school trips to exciting destinations in the UK and beyond.

A commitment to wellbeing

We are committed to providing an outstanding, supportive work environment. An ongoing dialogue with staff about workload has led to changes in our working practice to reduce data collection and reporting points and to streamline our marking and feedback policy.

The Borlase staff is a friendly, sociable team and there are regular trips to theatre productions and sporting events. There is a well-provisioned staff common room and access to a superbly equipped onsite gym.

Required for November 2024

Borlase Rowing Club was established in 1921 and is known for its competitiveness in rowing at national and international level. The club has enjoyed substantial successes at the National Schools' Regatta and Junior World Championships and is particularly associated with success in The Fawley Challenge Cup at Henley Royal Regatta. This is an exciting time to join the boat club.

The club has over 150 members from Year 8 to Year 13, boys and girls, who train on the river at Marlow, a 15 minute walk from the school. The Rowing Coach will report to the Director of Rowing. The highly committed Parents Support Group fund junior coaches and members of the teaching staff also contribute to coaching. The school is proud of its excellent fleet of boats, blades and gym equipment. We have recently moved rowing site to our own facility at Gossmore and have had planning permission granted for a new Boat House.

The Role

The school seeks to appoint a talented and inspirational Rowing Coach who has outstanding technical understanding as well as top class crew management skills, to help deliver and build on the school's vision for rowing. The successful candidate needs to have the passion, drive and commitment to help contribute to a high performance sculling centre developing athletes to go on and compete in The Fawley Challenge Cup and the Diamond Jubilee Cup, and in other boat types including eights across the major regattas and competitions. The role requires a flexible approach to working with attendance at Head and Regatta racing as well as weekend training.

The Core School Vision

- To inspire girls and boys to develop a passion for rowing at Borlase, creating opportunities and encouraging growth in participation.
- To empower all rowers to perform to the best of their ability including those with the potential to compete at elite level.
- To identify and allocate resources and training to achieve the core vision above.

The Role
