### **4.1. Verbal communication**

- 4.1.1.** Staff may use first names when communicating with one another as colleagues
- 4.1.2.** In front of students, staff should use full formal names (e.g. Dr, Mr, Mrs, Ms Surname) rather than a generic "Sir" or "Miss"
- 4.1.3.** Members of staff have the right to expect students to address them formally and to speak to them in an appropriate manner. Students are expected to address staff by their title and surname. Staff address students by their first names.

### **4.2. Email**

- 4.2.1.** The school gives all staff their own SWBGS email account to use for all school business.
- 4.2.2.** Emails from parents/carers / local community / externals to members of the Borlase community should always be professional and written in an appropriate style and tone.
- 4.2.3.** Staff may receive emails directly or as part of a group, e.g. staff, teachers. Staff should check their Primary Account and the Forums tab for relevant messages at least once on each day they work during term time.
- 4.2.4.** Emails to and from parents/carers should be addressed to the following school addresses:  
[absence@swbgs.com](mailto:absence@swbgs.com) to report student sickness

[sixthformabsence@swbgs.com](mailto:sixthformabsence@swbgs.com) to report sixth absence  
[parents@swbgs.com](mailto:parents@swbgs.com) for all curriculum-related matters  
[ks3@swbgs.com](mailto:ks3@swbgs.com) for pastoral matters in Years 7 and 8  
[ks4@swbgs.com](mailto:ks4@swbgs.com) for pastoral matters in Years 9, 10 and 11  
[ks5@swbgs.com](mailto:ks5@swbgs.com) for pastoral matters in the Sixth Form  
[sendco@swbgs.com](mailto:sendco@swbgs.com) for matters relating to additional needs and/or disability  
[safeguarding@swbgs.com](mailto:safeguarding@swbgs.com) for matters relating to child welfare and safeguarding  
[dpo@marlowet.org](mailto:dpo@marlowet.org) for matters relating to data protection and subject access requests

- 4.2.5.** Under no circumstances should staff contact students, parents/carers or conduct any school business using their own personal email addresses.
- 4.2.6.** Staff should avoid sending non-urgent emails before 8am or after 8pm. Instead, they should make use of the schedule send function to ensure delivery within working hours.
- 4.2.7.** The sending of chain letters or emails is not permitted
- 4.2.8.** School email is not to be used for sharing adverts
- 4.2.9.** Staff should be wary of the dangers of “reply all” in email communication shared with a group, particularly with students
- 4.2.10.** Staff should ensure they double check the accuracy of the address of every recipient before sending to avoid communications reaching the wrong person.
- 4.2.11.** Staff should consider carefully who they copy into an email, considering the role and responsibility of the colleague/ student.
- 4.2.12.** Emails should not be used for personal criticism or expressions of heightened emotion.
- 4.2.13.** Members of staff have the right to expect email correspondence from students to be written in a formal manner, in grammatically correct and punctuated English and with an appropriate sign-off. Members of staff should alert the relevant form tutor or Head of Key Stage in the event of a student not meeting these expectations.

#### **4.3.** Paper communications

- 4.3.1.** Staff should check their pigeon holes on a daily basis in case any communication has been delivered in this way – internal and external communications are sent to staff via pigeon holes.
- 4.3.2.** Tutors should check tutor pigeon holes for communications relating to their tutees and pass on the information in a timely fashion.

#### **4.4.** Staff Briefings

- 4.4.1.** A weekly Staff Briefing email is sent each Monday morning at 07:00 containing key information for the weeks ahead.
- 4.4.2.** Pastoral Briefings take place at 3.45 on Tuesday afternoons when key information about students / pastoral events is shared. Minutes from the briefing are available on the Staff Information Centre. All staff should attend if working Tuesdays.

**4.4.3.** If staff are not in these briefings it is incumbent upon them to check the minutes for relevant information.

**4.5.** Meetings and CPD

**4.5.1.** Departmental Meetings as part of CPD should be minuted and held by the subject leader

**4.5.2.** For all formal meetings, notes should be taken, action points progressed and shared with the relevant members of staff.

**4.5.3.** Presentations shown at CPD are published on the Staff Information Centre.

**4.6.** Staff Handbook - the Staff Information Centre

**4.6.1.** Essential Information for Staff is available on the Staff Information Centre. This fulfils the role of a staff handbook at Sir William Borlase's Grammar School. If a member of staff cannot locate essential information they should consult their line manager or inform the Deputy Headteacher.

**4.6.2.** The Staff Information Centre should be regularly updated.

**5. External Communication with Parents/Carers**

**5.1.** Letters and emails

**5.1.1.** Staff will endeavour to reply to parents' letters and emails as quickly as possible. We aim to acknowledge letters/emails within 2 working days and reply within 5 working days of receipt of the letter/email.

**5.1.2.** All letters sent to parents/carers must be approved by the Headteacher or Deputy Headteacher before sending.

**5.1.3.** All communications involving finance should be checked by the Chief Finance Officer.

**5.1.4.** Medical letters should be uploaded to CPOMS or Sims

**5.1.5.** The correct salutation must be used when writing letters

**5.1.6.** All general letters are incorporated into the Friday Headteacher letter with links and then retained on the website for half a term

**5.2.** Email

**5.2.1.** Email is a quick, effective way of communicating information; however it does not replace face to face meetings where discussion may be beneficial or required.

**5.2.2.** We encourage all parents/carers to inform the school of their current email address, to allow them access to email, which is a quick and efficient method for the school to communicate with parents/carers..

**5.2.3.** We aim to have 100% of parents/carers signed up to email to facilitate paperless communication.

**5.2.4.** Parents/carers should direct any emailed queries to the appropriate one of the following email addresses:

[absence@swbgs.com](mailto:absence@swbgs.com) to report student sickness

[sixthformabsence@swbgs.com](mailto:sixthformabsence@swbgs.com) to report sixth absence  
[parents@swbgs.com](mailto:parents@swbgs.com) for all curriculum-related matters  
[ks3@swbgs.com](mailto:ks3@swbgs.com) for pastoral matters in Years 7 and 8  
[ks4@swbgs.com](mailto:ks4@swbgs.com) for pastoral matters in Years 9, 10 and 11  
[ks5@swbgs.com](mailto:ks5@swbgs.com) for pastoral matters in the Sixth Form  
[sendco@swbgs.com](mailto:sendco@swbgs.com) for matters relating to additional needs and/or disability  
[safeguarding@swbgs.com](mailto:safeguarding@swbgs.com) for matters relating to child welfare and safeguarding

- 5.2.5.** All email should be treated as letters and should be checked carefully. Staff should acknowledge email as they would a letter, within 2 working days, and send a full reply within 5 working days using parents@. Emails sent should be written formally, in the same way as a letter written on school headed paper. It should follow the school 'house style'.
- 5.2.6.** Staff may check any email which is of a sensitive nature with their line manager .
- 5.2.7.** Staff are not expected to read or reply to emails outside normal working hours.
- 5.2.8.** Staff sending emails to external organisations where they are representing the school should check with their line manager before sending.
- 5.2.9.** Staff sending emails to students/ parents/carers should ensure they are formal and no personal details are shared, eg telephone numbers, other email addresses.
- 5.2.10.** Under no circumstances should staff contact students, parents/carers or conduct any school business using non school email addresses.

### **5.3. Telephone Calls**

- 5.3.1.** Staff should take notes about the content of telephone calls, as they would with meetings with parents/carers. Detailed notes from telephone calls, including main points of discussion and action required/taken should be kept on student files and the relevant staff informed, e.g. Form Tutor / HoKS / HoD/ SLT.
- 5.3.2.** Where the telephone call relates to a safeguarding issue, the DSL should be informed and information recorded on CPOMS
- 5.3.3.** Staff should not contact students or parents/carers or conduct any school business using staff personal telephone numbers.
- 5.3.4.** The exceptions to this are:
  - i) school trips where students may need a contact number; if staff use personal mobiles then student numbers should be deleted at the end of the trip, likewise the staff number from the student phones. A school mobile phone is available if a staff member prefers to use this rather than their own phone.
  - ii) An emergency on site where there is no easy access to a phone and a parent needs contacting.

### **5.4. SchoolComms School Gateway App**

- 5.4.1.** Parents/carers are encouraged to download the school communication School Gateway App

**5.4.2.** Shows parents/carers SIMS points (behaviour points) and achievement points.

**5.5.** Meetings with Parents/Carers and Parents' Evenings

**5.5.1.** Parents Evenings and Information evenings are published on the school calendar on the website. Parents/carers use the online booking system to make appointments.

**5.5.2.** Any parent wishing to meet with a member of staff should contact the school in advance and request a meeting with the member of staff. This request should be responded to within the usual communications protocols and in a timely manner. A meeting may not always be necessary and where relevant a parent query will be resolved by telephone or email.

**5.5.3.** Parents/carers are not able to meet with a member of staff without an appointment as staff are timetabled in lessons and meetings. If a parent comes to the school without a prior appointment, it is unlikely an appointment can be made unless there is an emergency.

**5.5.4.** Parents/carers (like all visitors) should report to reception and sign in prior to meeting with a member of staff. If the meeting is due to take place outside office hours, separate arrangements can be made.

**5.5.5.** A member of staff may ask for their line manager or another relevant member of staff to accompany them, eg Head of Key Stage /Year / Head of Department / SENDCo or a member of SLT.

**5.5.6.** If a meeting with a parent is taking place outside normal school hours, the member of staff should try, where possible, to ensure that another colleague is nearby and must ensure another colleague is aware of the meeting.

**5.5.7.** It is perfectly acceptable to call a meeting to a close in order to allow time for further research or investigation.

**5.5.8.** Staff will call a meeting to a close in the event of the parent becoming angry or abusive. The member of staff should report such an incident to their line manager and seek further advice. Follow up action would be taken by the line manager or more senior member of staff as appropriate.

**5.5.9.** Meetings are held prior to any residential trip to inform parents/carers of planning, content and arrangements.

**5.5.10.** There is a parent/ teacher evening every year for every year group. It is not possible to guarantee that a parent can see every subject teacher at this event.

**5.5.11.** There are a range of other opportunities for parents/carers to come into school as appropriate to the year group/ key stage e.g. Open evenings, options evenings, information evenings, ucas evenings, parent workshops.

**5.6.** Social Networking and Messaging Sites

**5.6.1.** Staff will not communicate with parents/carers via social networking sites or accept them as their "friends", eg Facebook, Snapchat, Instagram, Twitter (X), LinkedIn, Whatsapp etc for school business. If staff receive requests they should inform the Designated Safeguarding Lead

- 5.6.2.** Staff will not communicate with current students via social networking sites or accept them as their 'friends', eg Facebook, Snapchat, Instagram, What'sapp, private Twitter accounts etc.
- 5.6.3.** The school has official Twitter (X), Instagram and LinkedIn accounts which are used to communicate information about the school to members of the school community, as well as to the wider public.
- 5.6.4.** Parents/carers are encouraged to follow the school Twitter (X) account, but there is no expectation that all parents/carers do so and any important messages posted on Twitter (X) (e.g. snow closure) will also have been communicated to parents/carers by other channels, including the school website.

## **5.7. Written Reports**

- 5.7.1.** Parents/carers receive regular written communication about their son/daughter's progress during the academic year through Orders which give grades for effort and attainment in relation to target grades.
- 5.7.2.** Parents/carers are invited to comment or to ask staff for further detail via [parents@swbgs.com](mailto:parents@swbgs.com) if desired.
- 5.7.3.** Parents/carers have the opportunity to meet their child's subject teachers once a year, at parent evenings.
- 5.7.4.** When students have special educational needs or if they are making less than expected progress or experiencing medical, emotional, behavioural or disciplinary difficulties, we would expect to have communication with parents/carers more regularly.

## **5.8. The School Website**

- 5.8.1.** The school website provides information about the school and an opportunity to promote the school to a wider audience.
- 5.8.2.** The website shares regular news stories including our Twitter(X) pages.
- 5.8.3.** The school website is the key source of information for parents/carers about the school calendar, term dates, uniform regulations and policies.
- 5.8.4.** Departments maintain subject specific pages linked from the main website that convey information about the subjects, specifically GCSE and A level course information
- 5.8.5.** All past newsletters and letters sent to parents/carers are stored on the website in the Recent Mailings section for approximately 2 months after their issue.
- 5.8.6.** The Sports Department maintains a subsidiary website for communication about sporting teams and fixtures that can be accessed from the main school website.

## **5.9. Student Planners**

- 5.9.1.** KS3 and 4 students are issued with a planner. This enables parents/carers to record information that they wish to share with the tutor (however they should avoid writing confidential information there) and for teachers to communicate with parents/carers. Most importantly, parents/carers should

use planners to check homework and communicate day to day issues with the form tutor.

#### **5.10. Accessibility**

- 5.10.1.** Sir William Borlase's Grammar School will make any reasonable adjustments that may be necessary to enable a parent or carer with a disability to participate fully in a meeting or to receive and understand communications from the school.

### **6. External Communication with Other Schools and Outside Agencies**

#### **6.1. Transition**

- 6.1.1.** Before joining Year 7, students are visited in their primary schools to support their transition to Sir William Borlase's Grammar School.
- 6.1.2.** New students joining as late entry in other years or Year 12 have the opportunity to come into school before joining.
- 6.1.3.** There are introductory days for new students.
- 6.1.4.** If a student joins Sir William Borlase's Grammar School, then communication with the previous school will take place, alongside parental liaison. The Designated Safeguarding Lead and SENDCo will send requests for all relevant information to be shared with regard to the incoming students in each year group. If a student is receiving external support then the Safeguarding Lead and or SENDCo should be made aware and discussion as to how to best support the student will take place.

#### **6.2. Child Protection and Welfare**

- 6.2.1.** We are supported and regularly communicate with various agencies and groups of professionals who keep the school informed on ways to meet students' needs to ensure that students can participate fully. Support comes from such services as Educational Welfare, Educational Psychologists, Specialist Teaching Service, Social Care etc.
- 6.2.2.** The school recognises that children have a fundamental right to be protected from harm, that their protection is a shared responsibility, and that our school should provide a safe and secure environment. Effective communication with external agencies is a vital part of safeguarding. The school is clearly in regular contact with students, and therefore in a unique position to identify and help them. If any member of staff has concerns about a child, these will be passed on to the Designated Safeguarding Lead, who may share this information with parents/carers and any relevant agencies and staff.

#### **6.3. Dealing with the Media**

- 6.3.1.** The school website, Twitter (X) account and newsletter are the main forums for communicating school news to the wider community.
- 6.3.2.** On occasions, the school may be approached for comment or news by local or national press. These enquiries should be directed to the

Headteacher's PA, Claire Woodgate, for the attention of the Headteacher and Deputy Headteacher. No member of staff should give comments or quotations to the media without obtaining the permission of the Headteacher or Deputy Headteacher.

## **7. Confidentiality and Data Protection**

The school holds information on students in the school and from time to time is required to pass some of this information to others for educational purposes or safeguarding. Details are available to parents/carers on the school website about the types of data that is held, why it is held and to whom it may be passed. This is a requirement under the GDPR 2018. Parents/carers and students have a right to view the information the school holds, and that the school has contact details of the agencies to which our information is passed.

Any request received for personal information (other than normal day to day marks and grades information) must be treated as a subject access request and passed to the DPO, at [dpo@marlowet.org](mailto:dpo@marlowet.org), for logging and response
