## Definitions

Safeguarding and promoting the welfare of children means:

- Protecting children from maltreatment
- Preventing impairment of children’s mental and physical health or development
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- Taking action to enable all children to have the best outcomes.

Child protection is part of the safeguarding process and it refers to the procedures undertaken to protect individual children who have been identified as suffering or likely to suffer significant harm.

Abuse is a form of maltreatment of a child and may involve inflicting harm or failing to act to prevent harm. Further information regarding the categories of abuse can be found in the appendix to this document.

Children includes everyone under the age of 18

## 2. Introduction

**2.1.** At Sir William Borlase’s Grammar School (SWBGS) we believe that a policy on child and safeguarding is founded on the right of all children to be safe. We expect all members of the school community including staff, governors, supply staff and volunteers to share this commitment. Every member of the school community is responsible for contributing to a positive culture of safeguarding.

The aim of this policy is to provide staff, supply staff, governors and volunteers with the framework they need to keep children in SWBGS safe and secure and to provide parents and carers with the information about how we will safeguard their children whilst in our care.

The staff and governors at Sir William Borlase’s Grammar School recognise the particular Safeguarding issues of the school within the wider community of Marlow. We are aware of the need to remind young people of the dangers of drugs, alcohol, county lines, child sexual exploitation and in particular internet safety; staff are alert to the indicators that students may be involved with such activities. Our position on the River Thames brings with it particular dangers for young people particularly in the summer and young people are reminded about river safety.

Sir William Borlase’s Grammar school is a vibrant learning community where young people have high aspirations and ambitions; the school is mindful of of related anxieties that can accompany aspiration and promotes a healthy approach to study including emphasising the

importance of sleep, exercise and nutrition; we encourage a love of learning and enjoyment of cultural and enriching experiences to enhance the lives of young people while at school and prepare them for life beyond Borlase.

The school recognises the values of diversity and inclusion and is committed to a culture of respect and kindness across our community. Our PSHE programme and Assemblies are used to support awareness and understanding of Safeguarding issues however, all staff know that safeguarding takes precedence when there is any child protection concern.

This policy has been developed in accordance with following legislation and guidance:

- [Children Act 1989](#) (amended 2004)
- “Working Together to Safeguard Children 2018” - July 2018 [Working Together To Safeguard Children July 2018](#)
- “Keeping Children Safe in Education”- statutory guidance for schools and further education colleges - Sept 2021 [Keeping Children in Education 2021](#)
- Information Sharing Guidance for Safeguarding Practitioners [Information Sharing Guidance](#) – DfE July 2018
- Children Missing Education; Statutory Guidance for Local Authorities - Sept 2016 [Children missing education - GOV.UK](#)
- Statutory Guidance issued under section 29 of the Counter-Terrorism and Security Act - 2015 [Prevent Duty Guidance](#)
- Sexual Violence and Sexual Harassment between Children in Schools and Colleges – Sept 2021 [Sexual Violence and Sexual Harassment between Children in Schools and Colleges](#)
- The Equality Act - 2010 [Equality Act 2010: guidance - GOV.UK](#)
- What to do if you’re worried a child is being abused - March 2015 [What to do if you are worried a child is being abused](#)
- Statutory guidance on FGM [Multi-agency Statutory Guidance on Female Genital Mutilation](#)

**2.2.** SWBGS believes clear governance and leadership is central to embedding a safeguarding culture. The Governing Body takes its responsibility seriously under section 175 of the Education Act 2002 to safeguard and promote the welfare of children; working together with other agencies to ensure effective and robust arrangements are in place within our school to identify and support those children who are suffering harm or who may be at risk of harm. Governors will ensure all staff at the school have read and understood their

responsibilities pertaining to Part 1, Part 5 and Annex B of Keeping Children Safe in Education, Sept 2021.

**2.3.** All staff are required to read and adhere to the SWBGS Staff Code of Conduct.

**2.4.** The school recognises that as well as risks to the welfare of children from within their families, children may be vulnerable to abuse or exploitation outside their homes and from other children. Staff must remain vigilant and alert to these potential risks.

**2.5.** The aims of this policy are:

**2.5.1.** To provide an environment in which children feel safe, secure, valued and respected.

**2.5.2.** Children feel confident that they can talk to adults within school to share any concerns that they may have.

**2.5.3.** To ensure all teaching staff, non-teaching staff, supply staff, governors and volunteers:

- are aware of the need to safeguard and promote the wellbeing of children
- identify the need for early support
- promptly report concerns, in line with guidance from the [Buckinghamshire](#) Continuum of Need or relevant authority
- are trained to recognise signs and indicators of abuse.

**2.5.4.** For all staff to recognise that safeguarding and promoting the welfare of children is defined as:

- Protecting children from maltreatment
- Preventing impairment of children's mental and physical health or development
- Ensuring that children grow up in circumstances consistent with the provision and effective care
- Taking action to enable all children to have the best outcomes.

**2.5.5.** To provide systematic means of monitoring children known to be, or thought to be at risk of harm and ensure contribution to assessments of need and support plans for those children.

**2.5.6.** To ensure SWBGS has a clear system for communicating concerns both internally and with external agencies in line with the Working Together guidance.

- 2.5.7.** To ensure the school has robust systems in place to accurately record safeguarding and child protection concerns.
- 2.5.8.** To develop effective working relationships with all other agencies involved in safeguarding, supporting the needs of children at our school.
- 2.5.9.** To ensure that all staff appointed have been through the safer recruitment process and understand the principles of safer working practices as set out in the Staff Code of Conduct.
- 2.5.10.** To ensure that any community users of our facilities have due regard to expectations of how they should maintain a safe environment, which supports children's wellbeing.
- 2.5.11.** This policy is published on our website, ([www.swbgs.com](http://www.swbgs.com)) and hard copies are available from the school Reception.

### 3. Responsibilities

**3.1.** All staff, supply staff, volunteers, visitors, governors and contractors understand safeguarding children is everyone's responsibility.

Any person who receives a disclosure of abuse, an allegation or suspects that abuse may have occurred must report it immediately to Miss Karen Harper (Designated Safeguarding Lead; DSL) or, in their absence, to a deputy DSL .

In the absence of either of the above, concerns will be brought to the attention of the most senior member of staff on site.

Staff understand that if there is an immediate risk of harm then the police or First Response will be called directly and the DSL will update at the earliest opportunity.

**3.2** Staff must maintain a good working knowledge of the Buckinghamshire [Continuum of Need](#) and any updates and how it should be used to inform decision making regarding a referral to First Response. Referrals are based on where students live so this is key for referrals; see Contact list for links.

**3.3** Staff have the skills, knowledge and understanding to keep both looked after children and previously looked after children safe.

**3.4** Staff understand vulnerability and that barriers exist when recognising abuse and neglect for children. There are groups of young people who may have increased vulnerability, examples are listed below, but not limited to:

- Young carers
- Children with SEND

It must:

- 3.5.1.** Ensure that the Headteacher and (when not the Headteacher) the DSL creates and maintains a strong, positive culture of safeguarding within the school.
- 3.5.2.** Ensure that this policy reflects the unique features of the community we serve and the needs of the students attending our provision. This policy will be reviewed at least annually.

- 3.5.5.** Recognise the importance of the role of the DSL, ensuring they have sufficient time, training, skills and resources to be effective. Refresher training must be attended every 2 years, in addition knowledge and skills must be refreshed at regular intervals, at least annually.
- 3.5.6.** Ensure measures are in place for the governing body to have oversight of how the school's delivery against its safeguarding responsibilities are exercised and evidenced. Ensure robust structures are in place to challenge the Headteacher where there are any identified gaps in practice or procedures are not followed.

**3.5.7.** Recognise the vital contribution that the school can make in helping children to keep safe, through incorporation of safeguarding within the curriculum. This will also be taught through the PSHE curriculum and relevant issues through the Relationship Sex Education (secondary schools, mandatory from Sept. 2020). Ensure that through curriculum content and delivery children understand to keep themselves safe.

**3.5.8.** Ensure that school is following the statutory [RSE guidance](#)

**3.5.11** Ensure the DSL completes an Annual Safeguarding Report for Governors and a copy is shared with the Education Safeguarding Advisory Service at Buckinghamshire Council.

**3.6.** It is the duty of the Chair of Governors to liaise with relevant agencies if any allegations are made against the Headteacher. If there are concerns that issues are not being progressed in an expedient manner, staff/students/parents/carers should escalate concerns to the Local Authority Designated Officer (LADO) via First Response.

**3.7.** The Governing body must ensure that procedures are in place to manage safeguarding concerns of allegations against staff, supply staff, governors, volunteers, visitors or contractors where they could pose a risk of harm to children. The guidance in Part four of Keeping Children [Safe in Education 2021](#) must be followed if there were any such concerns.

**3.8.** The Governing Body must ensure that a named teacher is designated for Children Looked After (Miss Karen Harper) and that an up to date list of children who are subject to a Care Order or are accommodated by the County Council is regularly reviewed and updated. The school must work with the Virtual Schools Team to support the educational attainment for those children who are Looked After.

**3.9.** The governing body has a statutory duty to appoint a Nominated Governor for safeguarding (Mr W. Evans) The Nominated Governor must be familiar with [Buckinghamshire Safeguarding Children Partnership](#) procedures, Local Authority procedures and guidance issued by the Department for Education. - 3.10.** All governors must complete safeguarding training on appointment, to also include Prevent training.
- 3.11.** The governing body must ensure that relevant staff have due regard to the relevant data protection principles set out in the Data Protection Act 2018 and the GDPR, which allow them to share or withhold personal information when it is necessary to safeguard any child.
- 3.12.** SWBGS has a Designated Safeguarding Lead (DSL) who is responsible for:
- 3.12.1.** Creating a culture of safeguarding within the school, where children are protected from harm. Ensuring all staff receive an effective induction and ongoing training to support them to recognise and report any concerns.
  - 3.12.2.** Ensuring children receive the right help at the right time using the relevant County's Continuum of Need / Threshold document.
  - 3.12.3.** Ensuring referrals to partner agencies are followed up in writing, including referrals to First Response.
  - 3.12.4.** Establishing a safe and secure system for recording safeguarding and child protection records. These records must be audited regularly to ensure all actions are completed.
  - 3.12.5.** Ensuring all child protection files are held separately from student educational records.
  - 3.12.6.** Maintaining the record for staff safeguarding training. Ensuring that the safeguarding team contact details and photos are displayed in prominent areas around the school and also on the website.

**3.12.10.** Contributing effectively to multi agency working, for the safeguarding and promotion of the welfare of children, as set out in Working Together.

**3.12.11.** Providing the Headteacher with an annual report for the Governing Body, detailing how SWBGS delivers on its safeguarding responsibilities and any child protection issues within the school. The Governing Body will use this report to fulfil its responsibility to provide the Local Authority with information about their safeguarding policies and procedures.

**3.12.12.** Meeting regularly (at least once per term) with the Nominated Governor to share oversight of the safeguarding provision within the setting, monitor performance and develop plans to rectify any gaps in policy or procedure.

**3.12.13.** Meeting the statutory requirement to keep up to date with knowledge, enabling them to fulfil their role, including attending mandatory and any other additional relevant Training.

**3.12.14.** Referring immediately to the Police, using the [guidance](#), When to call the police, for any cases where a criminal offence may have been committed or risk of harm is imminent.

#### 4. Procedures

**4.1.** Our school procedures for all staff, supply staff, governors, volunteers, visitors and contractors in safeguarding and protecting children from harm are in line with Buckinghamshire Council and [Buckinghamshire Safeguarding Children Partnership](#) safeguarding procedures, “**Working Together to Safeguard Children 2018**” [Working Together to Safeguard Children 2018](#), “**Keeping Children Safe in Education 2021**” [Keeping children safe in education 2021 \(publishing.service.gov.uk\)](#) and statutory guidance issued under section 29 of the **Counter-Terrorism and Security Act 2015** [Revised Prevent duty guidance: for England and Wales - GOV.UK \(www.gov.uk\)](#).

**4.2.** The school has a designated member of the Senior Leadership Team (Miss Karen Harper) who has undertaken appropriate training for the role, as recommended by the BSCP. Our Designated Safeguarding Lead (DSL) will be required to update their training in accordance with the Learning Pathway agreed by the BSCP.

**4.3.** We have members of staff (Deputy Safeguarding Leads) who will act in the DSL's absence and who have received training for the role of DSL and will continue to do so. In the absence of an appropriately trained member of staff, the most senior member of staff on site will assume this role.

**4.4.** All adults (including supply teachers, volunteers and contractors) new to our school are made aware of the school's policy and procedures for child protection, the name and contact details of the DSL, their role and responsibilities under :

- [“Keeping Children Safe in Education 2021”](#)
- [“What to do if You're Worried a Child is Being Abused”](#)

**4.5.** Visitors must be:

- Clearly identified with visitor/contractor passes.
- Met and directed by school staff/representatives.
- Signed in and out of the school by school staff.
- Given a safeguarding leaflet to read and keep informing them of key personnel and how to report a concern
- Given restricted access to only specific areas of the school, as appropriate.
- Escorted by a member of staff/representative as required.
- Given access to students restricted to the purpose of their visit.

**4.6.** All members of staff must complete regular safeguarding training, attend regular refresher training and partake in any training opportunities arranged or delivered by the DSL on an annual basis. Updates will be cascaded to all staff throughout the year.

**4.7.** All parents/carers must be made aware of the school's responsibilities in regard to child protection and safeguarding procedures through this policy.

All staff, including supply staff, must follow the reporting procedures as follows when reporting any child protection concerns:

- Staff must ensure the child is in a safe place and in receipt of support;
- Staff must initially make a verbal report to the DSL to alert them to the safeguarding/child protection concern;
- Staff must make a written report using the school record keeping process
- All concerns should be flagged using CPOMS. Supply staff should use the concern form given to them on arrival; further forms are available from Reception / SLT

Staff must ensure the time and date of the incident is recorded;

- A factual account of the incident must be recorded, including who was involved, what was said/seen/heard, where the incident took place and any actual words or phrases used by the child

- Use a body map to record any injuries seen or reported by the child
- Staff must sign and date the report giving details of their role within school
- The DSL must record when the report was passed to them and what action was taken alongside any outcomes achieved using CPOMS; handwritten information will be added to CPOMS
- The DSL must ensure the child's wishes and feelings are taken into consideration when deciding on next steps.

**4.8.** Through the Attendance for Learning Policy, we have a robust system for monitoring attendance and will act to address absenteeism with parents/carers and students promptly and identify any safeguarding issues arising.

**4.9.** All children attending our school are required to have a minimum of two identified emergency contacts.

**4.10** Any student whose absence is causing concern and where it has not been possible to make contact with a parent/carers, will be reported as a Child Missing in Education (CME) using the [Buckinghamshire CME Protocol](#).

**4.11.** Any absence of a student who is currently subject to a child protection or child in need plan is immediately referred to their social worker.

**4.12.** Parents/carers must inform school if there are any changes to a student's living arrangement. SWBGS has a mandatory duty to inform the local authority, via the First Response Team, if a child under the age of 16 years old lives with someone other than their parent, step-parent, aunt, uncle or grandparent for a period of more than 28 days. This is defined as being a private fostering arrangement.

**4.13.** All staff, parents/carers and children are made aware of the school's escalation process, through which can be activated in the event of concerns not being resolved after the first point of contact.

**4.14.** Our lettings policy reflects the ongoing responsibility the school has for safeguarding those using the site outside of normal school hours, ensuring the suitability of adults working with children on school sites at any time. SWBGS must have sight of the up to date **Child Protection Policy** of any organisation hiring the school's facilities.

**4.15.** The school operates Safer Recruitment practices; refer to Safer Recruitment policy

**4.16.** Allegations against members of staff, supply staff, governors, including volunteers and contractors are referred to the Local Authority Designated Officer (LADO).

**4.17.** SWBGS procedures are reviewed and updated annually as a minimum, or as there are changes to legislation.

## 5. Record-Keeping and Retention of Records

**5.1.** When a disclosure of abuse or an allegation against a member of staff or volunteer has been made, our school must have a record of this. These records are maintained in a way that is confidential and secure, in accordance with our Record Keeping Policy and Data Protection Legislation.

**5.2.** Records should include:

- a clear and comprehensive summary of the concern;
- details of how the concern was followed up and resolved;
- a note of any action taken, decisions reached and the outcome.

**5.3.** There is a statutory requirement for our school to pass any child protection records to the student's next school. There must be an auditable system in place to evidence this has taken place. Safeguarding records will be sent separately from the general files using a secure method.

**5.4.** The last statutory school maintains child protection files until a student reaches the age of 25 years, therefore if the transfer school is unknown, or a student is going to be electively home educated, any child protection files will remain at our school in a secure location. Child protection files will only be destroyed when the student reaches their 25th birthday.

**5.5.** SWBGS has a robust system for reviewing our archived information held. Our files are stored and disposed of in line with GDPR protocols.

## 6. Confidentiality

**6.1** SWBGS recognises that all matters relating to child protection are confidential.

**6.2.** The DSL must only disclose personal information about a student to other members of staff on a need to know basis.

**6.3.** Staff must not keep duplicate or personal records of child protection concerns. All information must be reported to the Designated Safeguarding Lead and securely stored in the designated location within the school, separate from the student records.

**6.4.** All staff are aware they cannot promise a child to keep secrets which might compromise the child's safety or well-being or that of another as they have a duty to share. Staff must, however, reassure the child that information will only be shared with those people who will be able to help them and therefore need to know.

**6.5.** We will always undertake to share our intention to refer a child to Social Care (First Response) with their parent/carer's consent, unless to do so could put the child at greater risk of harm or impede a criminal investigation. If in doubt, we will consult with First Response on this point. We recognise that GDPR must not be a barrier for sharing information regarding safeguarding concerns in line with **'Working Together'**.

## **7. Dealing with a disclosure**

In the event of a child disclosing abuse staff must:

**7.1.** Listen to the child, allowing the child to tell what has happened in their own way, and at their own pace. Staff must not interrupt a child who is freely recalling significant events.

**7.2.** Remain calm. Be reassuring and supportive, endeavouring to not respond emotionally.

**7.3.** Not ask leading questions. Staff are reminded to ask questions only when seeking clarification about something the child may have said or to gain sufficient information to know that this is a safeguarding concern. Staff are trained to use TED; Tell, Explain, Describe.

**7.4.** Make an accurate record of what they have seen/heard using the school's record keeping processes, recording; times, dates or locations mentioned, using as many words and expressions used by the child, as possible.

Staff must not substitute anatomically correct names for body part names used by the child.

**7.5.** Reassure the child that they did the right thing in telling someone.

**7.6.** Staff must explain to the child what will happen next and the need for the information to be shared with the DSL.

**7.7.** In the unlikely event the DSL and deputy DSL not being available, staff are aware they must share concerns with the most senior member of staff.

**7.8.** If there is immediate risk of harm to a child, staff will ring 999 and inform the DSL.

**7.9.** The child will be monitored/accompanied at all times following a disclosure, until a plan is agreed as to how best they can be safeguarded.

**7.10.** Following a report of concerns the DSL must:

**7.10.1.** Decide whether there are sufficient grounds for suspecting significant harm, in which case a referral must be made to First Response and the police if it is appropriate, referring to the [guidance](#), When to call the police. The rationale for this decision should be recorded by the DSL.

- 7.10.2.** School should try to discuss any concerns about a child's welfare with parents/carers and, where possible, obtain consent before making a referral to First Response. However, in accordance with DfE guidance, this should only be done when it will not place the child at increased risk or could impact a police investigation. Where there are doubts or reservations about involving the child's family, the DSL should clarify with First Response or the police whether the parents/carers should be told about the referral and, if so, when and by whom. This is important in cases where the police may need to conduct a criminal investigation. The child's views should also be taken into account.
- 7.10.3.** If there are grounds to suspect a child is suffering or is likely to suffer significant harm, the DSL must contact First Response by telephone immediately, in first instance and then complete the Multi Agency Referral Form (MARF).
- 7.10.4.** If the child is in immediate danger and urgent protective action is required, the police must be called. The DSL must then notify First Response of the occurrence and what action has been taken.
- 7.10.5.** If a child needs urgent medical attention, the DSL should call an ambulance via 999. DSL to contact First Response; advice to be sought from First Response about informing parents/carers.

## **8. Multi-agency working**

- 8.1.** SWBGS knows what the role of schools is, as a relevant agency, within the three safeguarding partner arrangements (Police, Local Authority, Clinical Commissioning Group) and as required, will contribute to multi-agency working, in line with the statutory guidance 'Working Together to Safeguard Children'.
- 8.2.** When named as a relevant agency and involved in safeguarding arrangements, SWBGS will co-operate alongside other agencies with the published arrangements.
- 8.3.** SWBGS will contribute to inter-agency plans to offer children support of early help and those children supported through child protection plans.
- 8.4.** SWBGS will allow and facilitate access for and work with children's social care to conduct or consider whether to conduct as section 17 or section 47 assessment.

## 9. Supporting Staff

**9.1.** SWBGS recognises that staff becoming involved with a child who has suffered harm, or appears to be likely to suffer harm, could find the situation stressful and upsetting.

**9.2.** SWBGS will support such staff by providing an opportunity to talk through their anxieties with the DSL and to seek further support if necessary. This could be provided by a trusted colleague, Occupational Health, and/or a representative of a professional body, Employee Assistance Programme (PAM) or trade union, as appropriate.

## 10. Allegations against staff, supply staff, volunteers and contractors (including Governors)

**10.1.** At SWBGS we have our own procedures for managing concerns and/or allegations against those working in school to include staff, supply teachers, volunteers and contractors.

**10.2.** KCSIE 2021- Part four contains comprehensive guidance covering the two levels of allegations/concern:

1. allegations that may meet the harms threshold
2. Allegations/concerns that do not meet the harms threshold- referred to for the purpose of this guidance as 'low level concerns' and should be referred to the Headteacher.

**10.3** All school staff, supply staff, volunteers and contractors must take care not to place themselves in a vulnerable position with a child. It is always advisable for interviews or work with individual children or parents/carers to be conducted in view of other adults.

**10.4** We understand that a student may make an allegation against a member of staff, member of supply staff, volunteer or contractor. If such an allegation is made, the member of staff notified of the allegation will immediately inform the Headteacher and the DSL or the most senior teacher if the Headteacher is not present. If the allegation is made against the Headteacher, the Chair of Governors must be informed.

**10.5** At SWBGS we recognise that an allegation may be made if a member of staff, a member of supply staff, a volunteer or a contractor has:

- Behaved in a way that has harmed a child, or may have harmed a child
- Possibly committed a criminal offence against or related to a child
- Behaved towards a child or children in a way that indicates he or she may pose a risk of harm to children
- Behaved or may have behaved in a way that indicates they may not be suitable to work with children. This includes behaviours both inside and outside of school.

**10.6.** The Headteacher/Senior Teacher on all such occasions must immediately discuss the content of the allegation with the Local Authority Designated Officer (LADO) and should work with the DSL unless the DSL is named.

**10.7.** The Head Teacher/Senior Teacher must:

**10.7.1.** Follow all advice given by the LADO throughout the investigation process, including how to manage the staff member, supply staff member, volunteer or contractor against whom the allegation is made, as well as supporting other staff, supply staff members, volunteers and contractors within the workplace.

**10.7.2.** Follow all advice given by the LADO relating to supporting the child making the allegation, as well as other children connected to the organisation.

**10.7.3.** Ensure feedback is provided to the LADO about the outcome of any internal investigations.

**10.8.** The school will follow the local safeguarding procedures for managing allegations against staff, supply staff, volunteers and contractors, a copy of which can be found in the Staff Information Centre or via the HR Office.

**10.9.** If the allegation is made against a member of staff supplied by an external agency, the agency will be fully kept fully informed and involved in any enquiries from the LADO.

**10.10.** Suspension of the member of staff against whom an allegation has been made needs careful consideration and, if necessary, SWBGS will consult with the LADO in making this decision. Guidance will also be sought from HR.

**10.11.** If a suspension is made, restrictions will apply to all staff, supply staff, volunteers and contractors regarding contact with them whilst they are suspended, including contact via social media, such as Facebook, Whatsapp and Twitter.

**10.12.** Our lettings agreement for other users requires that the organiser will follow the Buckinghamshire Council procedures for managing allegations against staff and where necessary, the suspension of adults from school premises.

**10.13.** Should an individual staff member, supply staff member, governor, volunteer or contractor be involved in child protection, other safeguarding procedures or Police investigations in relation to abuse or neglect, they must immediately inform the Head Teacher. In these circumstances, the school will need to assess whether there

is any potential for risk of transfer to the workplace and the individual's own work with children. This should involve discussion with the DSL and Head Teacher.

## **11. Whistleblowing**

- 11.1.** We have a Whistleblowing Policy which can be found in the Staff Information Centre. Staff are required to familiarise themselves with this document during their induction period.
- 11.2.** All staff must be aware of their duty to raise concerns about the attitude or actions of colleagues and report their concerns to the Headteacher or Chair of Governors.

## **12. Physical intervention/Positive handling**

The SWBGS policy on physical intervention/positive handling by staff is set out separately and should always be considered when working with students.

## **13. Anti-Bullying**

Anti-Bullying is referenced within several policies and detailed in the anti bullying policy and measures are in place to prevent and respond to all forms of bullying, which acknowledges that to allow or condone bullying may lead to consideration under child protection procedures.

## **14. Discriminatory Incidents**

In line with the Equalities Act 2010, our Equalities Policy addresses all forms of discriminatory incidents.

## **15. Health and Safety**

- 15.1.** We recognise the importance of safeguarding students throughout the school day. Our Health and Safety policy reflects the consideration we give to the protection of our children, both physically and emotionally, within the school environment.
- 15.2.** Part of the safeguarding measures we have in place include the safe dropping off and collection of students at the start and end of the school day. Walking and cycling safety to school are encouraged. Taxis will drop students off via Chapel Car park and bus stops are near Spinfield Lane and outside the Cote car park.
- 15.3.** Students who leave the site during the school day do so only with the written permission of a parent/carer and are collected by an authorised adult where appropriate. School should be notified by the parents/carers regarding whom they have authorised for this task in line with the Attendance for Learning policy.

- 15.4.** Students who attend after school clubs / meetings / activities are supervised and will ensure they are clear about arrangements to travel home.
- 15.5.** In the event of a student going missing during the course of the school day SWBGS will carry out immediate checks to ensure the student is not on site, we will then make contact with the student's parents/carers and inform the police.

## **16. Prevent Duty**

- 16.1.** SWBGS is aware of the Prevent Duty under [Section 26 of the Counter Terrorism and Security Act 2015](#) to protect young people from being drawn into terrorism.
- 16.2.** All school staff and governors have completed Prevent training.
- 16.3.** We have in place and monitor appropriate web filtering systems.
- 16.4.** The DSLs and senior leaders are familiar with their duties under The Prevent Duty [Guidance](#)

## **17. Online Safety**

All staff are aware of the school policy for Online-Safety which sets out our expectations relating to:

- Creating a safer online learning environment,
  - Giving everyone the skills, knowledge and understanding to help children stay safe on-line, question the information they are accessing and support the development of critical thinking,
  - Inspiring safe and responsible use of mobile technologies, to combat behaviours on-line which may make students vulnerable, including the sending of nude or semi-nude images.
  - Use of camera equipment, including smart phones.
  - What steps to take if there are concerns and where to go for help.
  - Staff use of social media as set out in the Staff Code of Conduct and communications policy.
- 17.1.** Cyber-bullying by children, via texts, social media and emails, will be treated as seriously as any other type of bullying and will be managed through the SWBGS anti-bullying procedures. It is key that contextual safeguarding is considered and staff should inform the DSL of concerns.

- 17.2.** SWBGS is aware of the risks posed by children in the online world; in particular non-age appropriate content linked to self-harm, suicide, grooming and radicalisation.
- 17.3.** Students, staff and parents/carers are supported to understand the risks posed by:
- the CONTENT accessed by students
  - their CONDUCT on-line
  - who they have CONTACT within the digital world
  - COMMERCE - risks such as online gambling, inappropriate advertising, phishing and or financial scams.
- 17.4.** SWBGS has online filtering and monitoring systems in place to ensure children are safeguarded from potentially harmful online material.
- 17.5** SWBGS will follow the advice as given by the government, to advise and support children with any online learning taking place at home to ensure this is done so safely.
- 17.6** We have a separate Mobile Phone Code of Conduct which sets out the acceptable use of mobile technologies by students whilst onsite. This includes sanctions which will be applied when these boundaries are not adhered to.
- 17.7** Visitors to our school are respectfully requested to turn all mobile devices off.
- 17.8** Staff use of mobile technology whilst on site is set out in the Staff Code of Conduct.
- 17.9** All staff receive awareness training in order to understand the risks children are exposed to.

## **18. Sending nude or semi-nude images**

Sending nude images or semi-nude images, is one of a number of ‘risk-taking’ behaviours associated with the use of digital technologies, social media or the internet. It is accepted that children experiment and challenge boundaries and therefore the risks associated with ‘online’ activity can never be completely eliminated.

Further advice and guidance can be found using the link below:

[Sharing nudes and semi-nudes](#)

- 18.1.** Staff, students and parents/carers are supported, via training, to understand the creation and sharing of sexual imagery, such as photos or videos, of under 18s is illegal. This includes images of students themselves if they are under the age of 18.

**18.2.** Any youth produced sexual imagery disclosures will follow the normal safeguarding practices and protocols at SWBGS. We will also use the guidelines for responding to incidents, as set out in government [guidance](#).

**18.3.** If the incident meets the threshold it may be necessary to refer to the police in a timely manner.

## **19. Peer on Peer Abuse**

**19.1.** SWBGS believes that all children have a right to attend school and learn in a safe environment free from harm by both adults and other students. We recognise that some safeguarding concerns can occur via peer on peer abuse.

**19.2.** All staff operate a zero-tolerance policy to peer on peer abuse and will not pass off incidents as ‘banter’ or ‘just growing up’.

**19.3.** All staff recognise that peer on peer issues may include, but may not be limited to:

- Bullying (including cyber bullying)
- Racial abuse
- Physical abuse, such as hitting, hair-pulling, shaking, biting or other forms of physical harm
- Sexual violence and sexual harassment
- Causing someone to engage in sexual activity without consent, such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party
- Abuse related to sexual orientation or identity
- Sending nude or semi-nude images (consensual & non-consensual)
- Upskirting and initiation/hazing type violence and rituals
- Emotional abuse
- Abuse within intimate partner relationships

**19.4.** All staff should be able to reassure victims that they are being taken seriously and that they will be supported and kept safe.

**19.5.** The following will be considered when dealing with incidents:

- Whether there is a large difference in power between the victim and perpetrator i.e. size, age, ability, perceived social status or vulnerabilities, including SEND, CP/CIN or CLA
- Whether the perpetrator has previously tried to harm or intimidate students
- Any concerns about the intentions of the alleged perpetrator

**19.6.** In order to minimise the risk of peer on peer abuse taking place, school must:

- Deliver RE/RSE/PSHE to include teaching students about how to keep safe and understanding what acceptable behaviour looks like
- Ensure that students know that all members of staff will listen to them if they have concerns and will act upon them
- Have systems in place for any student to be able to voice concerns
- Develop robust risk assessments if appropriate
- Refer to any other relevant policies when dealing with incidents, such as the Behaviour Policy and/or the Anti-Bullying Policy/Communications Policy.

**19.7.** SWBGS recognises that ‘Upskirting’ involves taking a photograph under an individual’s clothing without their knowledge. We understand that it causes the victim distress and humiliation and that any gender can be a victim. Staff recognise that ‘Upskirting’ is a criminal offence and must promptly report any such incidents to the DSL and Headteacher or most senior member of staff.

**19.8.** Reference will be made to the following government guidance and part 5 (p99-118) of the Keeping Children Safe in Education, Sept 2021 to ensure that all staff have an understanding of the serious [nature of sexual violence and sexual harassment](#) between children in schools.

## **20. Sexual Violence & Sexual Harassment**

**20.1.** Sexual violence and sexual harassment can occur between two children of **any age and sex**. It can occur through a group of children sexually assaulting or sexually harassing a single child or group of children. This can occur online, face to face (physically, verbally and online) and can take place inside or outside of school. As set out in Part five of the KCSIE 2021, all staff maintain an attitude that it **does** happen here.

**20.2.** All staff have a responsibility to address inappropriate behaviour in a timely manner, however seemingly insignificant it may appear.

**20.3.** All victims will be reassured that they are being taken seriously and that they will be supported and kept safe. No child will ever be made to feel ashamed for making a report or that they are creating a problem for our school.

## **21. Cultural Issues**

**21.1.** As a school SWBGS is aware of the cultural diversity of the community around us and works sensitively to address the unique culture of our students and their families as they relate to safeguarding and child protection. This includes children

at risk of harm from abuse arising from culture, ethnicity, faith and belief on the part of their parent, carer or wider community.

- 21.2.** Staff must report concerns about abuse linked to culture, faith and beliefs in the same way as other child protection concerns.

## **22. So-Called ‘Honour’ Based Abuse**

- 22.1.** Staff at SWBGS understand there is a legal duty to [report](#) known cases of Female Genital Mutilation (FGM) and So Called ‘Honour’ Based Abuse to the police and they will do this with the support of the DSL.
- 22.2.** SWBGS is aware of the need to respond to concerns relating to forced marriage and understand that it is illegal, a form of child abuse and a breach of children’s rights. We recognise some students, due to capacity or additional learning needs, may not be able to give an informed consent and this will be dealt with under our child protection processes. SWBGS staff can contact the Forced Marriage Unit if they need advice or information. Contact 020 7008 0151 [fm@fco.gov.uk](mailto:fm@fco.gov.uk)
- 22.3.** SWBGS is aware of the signs of FGM [Female genital mutilation \(FGM\) | NSPCC](#)
- 22.4.** SWBGS recognises both male and female students may be subject to honour-based abuse.
- 22.5.** SWBGS promotes awareness through training and access to resources, ensuring that the signs and indicators are known and recognised by staff.
- 22.6.** Any suspicions or concerns for forced marriage are reported to the DSL who will refer to First Response or the police if emergency action is required.

## **23. Contextual Safeguarding**

- 23.1.** [Contextual Safeguarding](#) is an approach to understanding, and responding to, children’s experiences of significant harm beyond their families. It recognises that the different relationships that children form in their neighbourhoods, schools and online can feature violence and abuse. Parents and carers may have little influence over these contexts, and children’s experiences of extra-familial abuse can undermine parent/carer-children relationships.
- 23.2.** At SWBGS all staff recognise that students may encounter safeguarding incidents that happen outside of school and can occur between children outside of this environment. SWBGS will respond to such concerns, reporting to the appropriate agencies in order to support and protect the student.

- 23.3.** All staff and especially the DSL will consider the context of incidents that occur outside of school to establish if situations outside of their families may be putting the student's welfare and safety at risk of abuse or exploitation, including (but not limited to) sexual exploitation, criminal exploitation and serious youth violence.
- 23.4.** Children who may be alleged perpetrators will also be supported to understand the impact of contextual issues on their safety and welfare.
- 23.5.** In such cases the individual needs and vulnerabilities of each child will be considered.

## **24. Serious Violence**

- 24.1.** All staff are aware of signs and indicators which may signal that children are at risk from, or are involved with, serious violent crime. These may include increased absence from school, a change in friendships or relationships with older individuals or groups, a significant decline in performance, signs of self-harm or significant change in well-being or signs of assault or unexplained injuries. Staff are aware that unexplained gifts or new possessions could also indicate that children have been approached by, or are involved with, individuals associated with criminal networks or gangs.
- 24.2.** At SWBGS we are aware of the range of risk factors which increase the likelihood of involvement in serious violence such as being male, having been frequently absent or permanently excluded from school, having experienced child maltreatment and having been involved in offending such as theft or robbery. SWBGS will take appropriate measures to manage any situations arising. [Information](#) on youth violence is here.

## **25. Domestic Abuse**

All staff recognise that children who experience domestic abuse, including intimate partner abuse, can suffer long lasting emotional and psychological effects. Staff must report any concerns using the school's safeguarding procedures.

SWBGS recognises that some groups of children are potentially at greater risk of harm.

## **26. Children who need a social worker (Child Protection and Child In Need Plans)**

- 26.1.** Staff recognise that children may have a social worker due to safeguarding or welfare needs and this can cause them to have barriers with attendance, behaviour, learning and mental health.
- 26.2.** SWBGS will share information with a social worker for any child whom they are

supporting to ensure decisions are made in the best interests of the child.

- 26.3.** Informed decisions will be made by staff with regards to safeguarding for those children who are being supported by a social worker.

## **27. Mental Health**

- 27.1.** At SWBGS, we are aware that mental health problems can be an indicator that a child has suffered or may be at risk of suffering abuse, neglect, or exploitation.
- 27.2.** Staff recognise that traumatic adverse childhood experiences can have lasting impact throughout a child's life and this can impact on mental health, behaviour and education.
- 27.3.** Staff will report any mental health concern that is linked to a safeguarding concern to the DSL.
- 27.4.** Where there are concerns for a child's mental health SWBGS will seek advice from a trained professional, who would be able to make a diagnosis of a mental health problem. SWBGS will work with government [guidance](#).
- 27.5** The Mental Health Lead is Miss Karen Harper

## **28. Use of Photography**

- 28.1.** We will often use photographs and film to capture achievements, monitor a child's development and help promote successes within our school. Guidelines for the use of photography at Sir Wiliam Borlase's Grammar School is set out in our **Use of Photography Policy**.

## **29. Policy Review**

The Governing Body of our school is responsible for ensuring the annual review of this policy. The date the next review is due is on the front cover of this policy.

## Appendix

Everyone who works with children has a duty to safeguard and promote their welfare. They should be aware of the signs and indicators of abuse and know what to do and to whom to speak if they become concerned about a child or if a child discloses to them.

The following is intended as a reference for school staff and parents/carers if they become concerned that a child is suffering or likely to suffer significant harm.

The Children Act 1989 defines abuse as when a child is suffering or is likely to suffer 'significant harm'. Harm means ill treatment or the impairment of health or development. Four categories of abuse are identified:

### Categories of Abuse

Child abuse is a form of maltreatment. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Children people may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by an adult or adults, or another child or children.

### Physical Abuse

A form of abuse which may involve; hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

### Emotional Abuse

The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include

interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

### **Sexual Abuse**

Involves forcing or enticing a child to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

### **Neglect**

The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

- a) provide adequate food, clothing and shelter (including exclusion from home or abandonment)
- b) protect a child from physical and emotional harm or danger
- c) ensure adequate supervision (including the use of inadequate caregivers)
- d) ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

### **Exploitation**

Exploitation is a form of child abuse and may take a number of forms:

Child Sexual Exploitation (CSE) and child Criminal Exploitation (CCE)

Both CSE and CCE are forms of abuse that occur where an individual or group takes advantage of an imbalance in power to coerce, manipulate or deceive a child into taking part in sexual or criminal activity, in exchange for something the victim needs or wants, and/or for the financial advantage or increased status of the perpetrator or facilitator and/or through violence or the threat

of violence. CSE and CCE can affect children, both male and female and can include children who have been moved (commonly referred to as trafficking) for the purpose of exploitation.

### **County Lines**

County lines is a term used to describe gangs and organised criminal networks involved in exporting illegal drugs using dedicated mobile phone lines or other form of “deal line”. This activity can happen locally as well as across the UK - no specified distance of travel is required. Children and vulnerable adults are exploited to move, store and sell drugs and money. Offenders will often use coercion, intimidation, violence (including sexual violence) and weapons to ensure compliance of victims.

### **Extremism**

Extremism is the vocal or active opposition to our fundamental values, including democracy, the rule of law, individual liberty and the mutual respect and tolerance of different faiths and beliefs. This also includes calling for the death of members of the armed forces. Radicalisation refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups.

### **Homelessness**

Being homeless or being at risk of becoming homeless presents a real risk to a child’s welfare.

The DSL Deputy DSLs are aware of contact details and referral routes in to the local housing authority so they can raise/progress concerns at the earliest opportunity (where appropriate and in accordance with local procedures).

Where a child has been harmed or is at risk of harm, the DSL will also make a referral to children’s social care.

### **Pupils with parents/carers in prison**

Staff are aware of the effects that having a parent in prison can have on a child. Approximately 200,000 children have a parent sent to prison each year. These children are at risk of poor outcomes including poverty, stigma, isolation and poor mental health. Staff will refer any concerns around a child to the DSL and support will be provided in school for the child.

### **Child in Court Process**

Staff are aware of the effects that giving evidence in court can have on emotional well-being. Children are sometimes required to give evidence in criminal courts, either for crimes committed against them or for crimes they have witnessed. Staff will report any incidents where a child or

parent has said that they are going to be in court to the DSL. The DSL is aware of court processes and will refer to relevant agencies as necessary.

### **Child Abduction**

We may, at points, have children and families who are fleeing from domestically violent or abusive relationships. We are therefore mindful of the risks associated with the discovery and the potential for child abduction. It is the responsibility of the DSL and deputies to ensure that the following measures are in place:

- Teachers and support staff know if a pupil is at potential risk of discovery/abduction
- Those children deemed at risk will have a clear safety plan which is agreed with any professionals involved in keeping the children safe.

SIMS is used to record contact numbers and details of adults permitted to collect pupils. Information is never shared over the phone about pupils other than with known contact details.

- We contact other professionals after checking that they are genuine
- Information shared by the parent is recorded on CPOMS as a welfare concern so that all members of the safeguarding team are aware.

If a member of staff suspects that a child is at risk of discovery/abduction outside of the school gate they must bring the child inside and take them to the relevant key stage pastoral office. A member of the DSL team must be told immediately so that they can contact the parent whose contact details we hold. We have interventions in place that support children in processing difficult experiences and that promote protective behaviours and keeping safe. Staff have clear procedures in place about when to report a child missing to the Police.

**Assessment Framework**

(from Working Together to Safeguard Children, July 2018)

Every assessment should draw together relevant information gathered from the child and their family and from relevant practitioners including teachers and school staff, early years workers, health practitioners, the police and adult social care.

Every assessment of a child should reflect the unique characteristics of the child within their family and community context.

Each child whose referral has been accepted by children's social care should have their individual needs assessed, including an analysis of the parental capacity to meet those needs, whether they arise from issues within the family or the wider community.

Frequently, more than one child from the same family is referred and siblings within the family should always be considered.
