Introduction

Sir William Borlase's Grammar School is committed to safeguarding all members of the school community. Attendance is a key indicator in safeguarding and enables us to support vulnerable students, including those at risk of going missing in education. The school recognises the importance of excellent attendance and punctuality in order that students can maximise their potential in school, preparing them for the demands of adult life. Excellent attendance supports academic learning and personal development through full engagement in the school's culture, ethos and opportunities. Through our Attendance Policy, we have in place a robust system for monitoring attendance and will act to address absenteeism with parents/carers and pupils, promptly to effect change and identify any safeguarding issues arising. At Borlase we value all our students and we will work with families to identify the reasons for poor attendance and try to resolve any difficulties.

Excellent attendance is implicit in the school's values and is essential in maintaining the orderly environment necessary for effective teaching and learning. Students, parents, school staff and governors share the responsibility for ensuring that attendance rates at Sir William Borlase's Grammar School are maximised. This policy should be read in conjunction with the DfE Working Together to Improve School Attendance (2024), Behaviour for Learning Policy and Appendix below - Absence from School during Term Time Policy. These policies are published on the School website.

1. We aim to:

- 1.1. promote good attendance (>95%) Years 7-11 (85% Years 12 and 13) and reduce absence including persistent absence (attendance <90%)
- 1.2. convey to students, staff and parents that excellent attendance and punctuality contribute significantly to a student's chance of fulfilling their academic potential and personal development.
- 1.3. identify when individual absence gives cause for concern and act early to address patterns of absence which are detrimental to student learning and safety.
- 1.4. work towards ensuring that all students feel supported and valued by encouraging excellent school attendance.
- 1.5. recognise the individual needs of students – for example, those with additional educational/ medical/ social needs as well as those students who may become vulnerable through traumatic events such as bereavement, divorce and separation and may need additional support at such times.

The guiding principle of this policy is that every student should attend school every day as every day counts. This includes days where enrichment, extra curricular or other activities are organised as part of the school's wider education.

2. Working in Partnership with the Law & Legal Sanctions

- 2.1. Under Section 7 of the Education Act 1996, parents are responsible for making sure that their children of compulsory school age receive full time education. Parents have a legal responsibility to ensure their child's regular attendance at the school where they are registered.
- 2.2. If a child of compulsory school age who is registered at a school fails to attend regularly at that school, then the parent is guilty of an offence under Section 444 (1) of the Education Act 1996. Since March 2001 there has been a further offence introduced where a parent, knowing that their child is failing to attend school regularly, fails without reasonable justification to cause him to attend (Education Act 1996, section 444 (1A) as amended by the Criminal Justice and Court Service Act 2000).
- 2.3. It is clear from the law that parents risk prosecution if their child does not attend school regularly. It is important, therefore, for parents and the school to work closely together to overcome any problems which may affect a student's attendance.
- 2.4. Since 2014 the DfE has stated that no term time holidays may be granted. If holiday leave is taken during term time this will be viewed as undermining the good order and discipline of the school and undermining the child's learning; sanctions may be applied.
- 2.5. The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.
- 2.6. If issued with a fine, or penalty notice, each parent must pay £80 within 21 days or £160 within 28 days. The payment must be made directly to the local authority.
- 2.7. If a second penalty notice is issued within three years of the first, the payment required is £160 per parent, payable within 28 days.
- 2.8. A third penalty notice will not be issued within the three year period but parents may be taken to court.
- 2.9. Penalty notices are issued by the local authority officer.
- 2.10. The decision on whether or not to issue a penalty notice may take into account:
 - The number of unauthorised absences occurring within a rolling 10 week period and within three years of a previous penalty notice.

- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason
- If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

2.11. The school will work with the County Attendance Team (or other relevant external agencies) where attendance or punctuality does not meet the school's expectations. A County Attendance Officer may visit the school to support regular school attendance and to help remove any barriers which may be preventing a student from accessing the education to which he is entitled.

2.13. We expect that all our students will:

- 2.13.1. Take pride in good attendance and punctuality, arriving at school on time for registration and for all lessons. School Registration in the morning takes place at 8.40 a.m and at 2.30pm in the afternoon.
- 2.13.2. If late, arriving after 8.40 a.m. they should sign in via the Electronic Inventory System. If students arrive after 9.10am without a legitimate reason, this will be recorded as unauthorised absence for the morning session.

- 2.13.3. For agreed absence/ appointment, collect an exit pass from the school Attendance Officer and sign out on the sheet. Refer to 2.12.4 and 2.12.5 for details of planned absences.
- 2.13.4. For exceptional unplanned and legitimate requests to leave school the parent will be contacted and the student should collect an exit pass from the Attendance Officer to sign out with the parents permission.
- 2.13.5. Sixth Form Students signing out at lunch-time must follow the Sixth Form signing in/out process. Not doing this is likely to result in loss of this privilege.
- 2.13.6. Year 13 students are allowed to leave school for the period 5 lesson slot if they do not have a lesson or timetabled support session. However students with academic concerns may be required to stay on site as agreed.

2.14. We expect that parents/carers will:

- 2.14.1. Ensure that their child attends school regularly and is punctual.
- 2.14.2. Provide an alternative means of transport to school if the School transport fails to arrive under reasonable weather conditions.
- 2.14.3. For unplanned absence - notify the school by 8.00 a.m. on the first and subsequent days of absence via the school Attendance Officer absence@swbgs.com/ 01628 816545 (email for sixth form sixthformabsence@swbgs.com). The school will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness. The school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence.
 - 2.14.3.1. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.
- 2.14.4. For Planned Absence (non school related) - request permission from the Headteacher at least two weeks in advance (unless exceptional circumstance) for a student to attend an unavoidable appointment (ie medical, driving tests, music exams) using the Request for Absence form available online in the parent section of the school website. If the event is "outside" school - e.g. selection for national representation in a sport not played at school, this is often

unavoidably a short notice request which the Headteacher will consider as soon as it can be sent.

- 2.14.5. For Planned Absence for unavoidable medical appointments arranged at short notice notify the school Attendance Officer by email on absence@swbgs.com or sixthformabsence@swbgs.com before 8.00am on the day of the appointment.
- 2.14.6. For Planned Absence (school related) Where a student is taking part in a school activity, such as representing the school in sport or a competition, the Headteacher and relevant teachers are informed and the Head approves the absence with the teacher.
- 2.14.7. Refrain from taking their child on holiday during term time.
- 2.14.8. Seek support from school with attendance if they need help, by contacting the Head of Key Stage/SSO/Attendance Officer
- 2.14.9. Where attendance is highlighted as a significant concern, work with the school pastoral teams to identify barriers and any wider services that are provided.
