

9 September 2022

Dear Parents and Carers

Year 9 and 10 parent information evening

At the start of every academic year we run parent information evenings for each year group in order to share important details about the year ahead and provide you, as parents and carers, with clarity about the teams who work with your children academically and pastorally. This year, it is also particularly important for us to be able to introduce ourselves to you as the new heads of Year 9 and Year 10.

The information evening was originally calendared to be next week, on Thursday 15 September. However, we have realised that this date was communicated to you last summer and that it therefore represents very short notice. We have therefore taken the decision to postpone the evening until **Tuesday 27 September** so as to provide more notice. The Year 9 talk will begin at 6pm and the Year 10 talk will begin at 7.30pm.

We look forward to seeing you in the Theatre and, alongside Mrs Ashby the Head of KS4 and members of the school's Senior Leadership Team, outlining the exciting opportunities that await your daughters and sons this year.

Yours faithfully

Mr Callum Heppner-Logan
Head of Year 9

Mr Joe Holloran
Head of Year 10
