

23 September 2022

Dear KS3 parents/carers

KS3 Supporting Aspiration and Progress (SAP) sessions

SAPs are after school sessions for students who would benefit from additional support in a timetabled and structured environment. This can be for a variety of reasons including catching up/consolidating syllabus content, difficulty meeting homework deadlines, or guidance on organisation; the sessions are not punitive nor are they detentions. The session runs from 3:30pm to 4:30pm in the school library and will begin from Wednesday 28 September.

We may refer students or students may drop in on their own accord. They will be supervised by a member of staff from the KS3 support team and we will also bring 6th form students in to help with subject support.

It is rare for students who attend SAP sessions not to see an improvement in their progress.

Do contact the Key Stage 3 team via parents@swbgs.com if you have any questions.

Yours faithfully,

Craig Robertson
Head of KS3
