Dear Parents and Carers

Year 7 - Science, Technology, Maths and Engineering (STEM) Fayre - Wednesday 22 March 2023

We are really looking forward to seeing you at our STEM Fayre on Wednesday 22 March 2023. Over the past week, the STEM Captains have been visiting the Year 7 science lessons to inspire the students and let them know how they can enter their STEM Project to the Fayre. This year's theme is connections. For more information on why we have chosen this theme have a look [here](#) at the details for British Science Week.

The STEM Fayre will be held on **Wednesday 22 March 2023, from 3.45pm to 6.00pm** in the school hall. Students will be expected to be present, with their project, to discuss their ideas with the STEM Captains, teachers and you. At 5.30pm there will be a prize giving ceremony. If you are not able to attend the STEM Fayre on Wednesday 22 March and your child has entered a project then please sign and return the slip below to give permission for that student to remain in school until the end of the Prize Giving (approximate end time 6.00pm). If you have any questions, please email Mrs Buchanan or Mrs Barclay, our STEM Administrator, via parents@swbgs.com.

On successful completion of the Bronze project and attendance at the Fayre, students will have their work submitted by their science teacher to the British Science Association (BSA). Students have been shared the Bronze CREST Workbook and Student Profile documentation, via Google Classroom, by their science teacher who will be uploading these documents to the BSA after the Fayre. The project will then be considered for accreditation for the CREST Award by the BSA. If you would like your child's project to be submitted for consideration to receive this nationally recognised certificate then please would you logon to www.parentpay.com to pay £5 before **Monday 3 April**.

Thank you in advance for your support of STEM at Borlase.

Yours faithfully
Rebecca Buchanan
Head of KS3 Science

PLEASE RETURN TO THE OFFICE Before - Monday 20 March 2023
STEM Fayre – Wednesday 22 March 2023

We **will not** be able to attend The STEM Fayre on Wednesday 22 March between 1545 -1800. I give my permission for my child to remain in school until the end of the Prize Giving 18.00.
