

Sir William Borlase's Grammar School Provider Access Policy

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 8-13 are entitled:

- to find out about apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic courses and apprenticeships

A full range of opportunities will be published ongoing via the school calendar.

Management of provider access requests

Please speak to our Careers Lead, Mrs Susan Caskey, to identify the most suitable opportunity for you- a guide is provided in Figure 1.

Telephone: 01628 816500, Email:scaskey@swbgs.com

External careers advice through Adviza will be made available to students as requested by appointment for every year group.

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Head of Key Stage, Sixth Form or Careers Leader. Providers are welcome to leave a copy of their prospectus or other relevant course literature which will remain in the Learning Resource Centre, which is managed by the STEM coordinator. The Resource Centre is available to all students at lunch, break times and after school.
