Pupil Premium funding is additional to main school funding and is received by the school to identify underlying inequalities and close the gap between pupils who are disadvantaged and those who are not

The Pupil Premium provides funding for pupils:

- who have been continuously looked after for the past six months (£1,900 per child)
- who are adopted from care under the Adoption and Children Act 2002 or
- who have left care under a Special Guardianship or Residence Order (£1,900)
- for children whose parents are currently serving in the armed forces, or whose parent/guardian is in receipt of a pension from the MoD (£300 per child)

Schools are held accountable for the spending of these monies, performance tables will capture the achievement of disadvantaged students covered by the Pupil Premium. SWBGS is committed to providing effective resources and ensuring vital support is in place for our pupil premium students to improve their academic outcomes.

### **Pupil Premium 2016 – 2017**

#### **The four key objectives:**

1. Transition: to improve transition and attainment outcomes for PP students to ensure attainment is in line with or exceeding expected levels of progress.
2. Attainment: developing a range of interventions with the aim of raising attainment
3. Engagement: to improve curriculum engagement and academic achievement for PP students.
4. Support the Learning Guidance Support team in their endeavour to remove barriers to learning through a range of personalised interventions
5. Attendance: to implement strategies addressing the attendance gap between for PP non PP students.(PP – referring to any student in receipt of Free School Meals in the past 6 years)

It is an essential resource which allows the school to support the progress and development of eligible students and allows the school to provide focused, personalised provision to help narrow the attainment gap between those students eligible for Pupil Premium and those not eligible. It also allows us to improve broader skills and outcomes for students to equip them for a successful life beyond Year 11.
