

29 July 2026

Dear Parents and Carers

Borlase Sports Day - Friday 10 July 2026

In the days ahead of Sports Day, I wanted to make you aware of the information that has also been shared with all students about this event.

- Students should come to school in school PE kit and trainers. They may wear either a white PE shirt or a sports appropriate coloured t-shirt of their house colour.
- The day will start as usual, with registration in form rooms. They will register again in their tutor rooms at 2.20pm. From here the whole school will be involved in sports day activities until 3.30pm where students will be dismissed as usual.
- The canteen will be open for drinks and snacks from 10.30am - 2.30pm.
- It is the students' responsibility to know what events they are doing and the timings of their events and be at the correct venue 10 minutes before the start time. Team lists and the event schedule will be shared with all students, will be announced throughout the day, and will be on display around the school site for reference.
- The forecast is due to be hot and sunny. Please ensure the students arrive in school with suncream, hats and a refillable water bottle. We will be providing as much shade around the school site as possible and include regular reminders to all to drink plenty of water and to stay in the shade as much as possible.
- In the event of cancellation, all students and parents will receive communication on Sunday afternoon. If this is the case, please support your child in arriving in school prepared for Week A lessons.
- If Sports Day does not go ahead on Friday, details of the replacement date will be communicated as soon as possible.
- Students may wish to bring cash on the day as each house will be running stalls and activities raising funds for their chosen charities.

The aim of the day is to be active, have fun, support the Houses and achieve the best in their events that they can. We look forward to sharing the results and highlights with you in the newsletter at the end of term.

Yours faithfully

Mr K M Chappell
Director of PE & Sport
