

July 2026

Dear Year 13 Parents, Carers and Students

A Level Results Collection and Post-Results Services 2026

Before the end of term we wanted to let you know of the process for receiving your results this year and make you aware of the post-results services offered by the exam boards.

A Level Results Day is Thursday 13 August 2026

All results will be sent electronically to the student's Borlase email account from 8.00am. Please be aware that they do not reach everyone simultaneously; this may take twenty minutes - please contact the school if you have not received them by 8.30am and there has been no communication from the school.

Students will also be able to collect their physical results sheets in person from 10am in the Stuart Lever Room, entering school via Chapel Gate. If you would like to collect a physical copy of your results, please email exams@swbgs.com by 3.30pm on Monday 10th August. If we do not hear from you, a results envelope will not be prepared. Please collect your envelope from the relevant House table.

If you wish to nominate someone else to pick up your results envelope then you must inform us of this electronically from your school email address to exams@swbgs.com also by 3.30pm on Monday 10 August 2026. That person must bring ID with them.

As usual, we will have a team of staff available for anyone who needs support in contacting universities or reviewing their offers. If you are not on-site, then you can contact the school using a dedicated telephone line which will be communicated to you with your results. This will then direct your call to the best person to help you

Post-Results Services from the exam boards

Any detailed enquiries about results and requests for reviews of marking need to be made to the relevant exam boards by the school on your behalf. The services available, and the charges for these, can be found at the end of this letter. Payment for these will need to be made before post-results services are processed. We have an electronic payment page available and card, cash and cheques can be accepted if you are onsite on results day. If you are not on-site, please email exams@swbgs.com including your name in the subject line and in the body of the email the details of your request.

Please note that there is a priority service for A level students for whom a university place may be dependent on a grade increase. This is requestable until Thursday 20th August (payment must have been received in time for the school to process the request). After this time even if a request

would have been a priority it is not treated as such; non-priority requests must be processed by the 24th September.

Yours faithfully

Lesley Haldane
Examinations Officer

Post-results services (PRS): deadline and charges – Summer 2026

This information is taken from the JCQ PRS publication summarising the post-results services offered by the JCQ member awarding bodies. The cost includes a small school administration fee. Please note these fees are **per paper** not per subject. You do not have to have all the papers of a subject reviewed.

The services are:

- 1) **Enquiries about results (EAR):** clerical re-check, review of marking, appeals
- 2) **Access to scripts (ATS):** access to marked examination scripts

Post-results service	Awarding Body Deadline	AQA fees	OCR fees	Edexcel fees**
EAR Service 1: Clerical re-check	24 September	£11	£13	£16 in 2025
EAR Service 2: Review of marking	24 September	£53	£69	£60 in 2025
EAR <u>Priority</u> Service 2: Review of marking*	20 August	£62	£85	£70 in 2025

ATS 1: Copy of script to inform a review of marking or for teaching and learning** <u>Fee per subject</u>	27 August for reviews of marking Various depending on board for Teaching & Learning only	£3 30th October	£3 24th September	£3 Mid-December
ATS 2: Cost of script post-review This service provides you with a copy of the reviewed script. Only Edexcel charge for this. Copies must be requested at the time the review is requested.	24 September	Free	Free	£15 added to the service charges

**** 2026 fees for Edexcel are not available until the 1st August**

Appeals

An appeal is the last level of service and can only be requested once any post-results services have been completed. They are designed to review awarding body processes and only if a fault were found with these would a grade be altered. Details would be available from the Exams Officer

* The priority review service is for those students who for whom a university place may be dependent on a grade increase

** If using the priority GCE service, it cannot be guaranteed that a script will be available by the 20th August deadline simply due to the tight turnaround, so please request it in good time.

You will be given the total price for the services you have requested and asked to confirm in writing that you understand that marks, and therefore grades, can go down as well as up or remaining the same. A review of marking cannot be cancelled once a revised grade has been issued.
