Dear Year 12 Parents, Carers and Students

Results and Post-Results Services 2026

Before the school's end of term we wanted to let you know of the process for receiving your results this year if you have taken a public exam, and make you aware of the post-results services offered by the exam boards.

AS/A Level Results Day is Thursday 13th August 2026

GCSE Results Day is Thursday 20th August 2026

All grades will be sent electronically to the student's Borlase email account from 9.00am. Please be aware that the Year 13 A level grades will be prioritised, so please do not contact the school until after 10am if you have not received your grades.

Post Results Services (from exam boards)

Any detailed enquiries about results and requests for reviews of marking need to be made to the relevant exam boards by the school on your behalf. In order to make a request, email Mrs Haldane using exams@swbgs.com with your name in the email subject line and in the body of the email write down the details of your request. The table below shows the different services you can request, which are a clerical check, a review of marking or a script request.

Note that year 13 and year 11 post-results services will be prioritised, as they will have deadlines to meet for the next stage of their educational journey.

All requests must be with the awarding bodies by 24th September, so you must request any post-results service by 18th September so that we can process your request before this deadline.

These services are charged for by the exam boards and details and prices can be found at the end of this letter. A payment link will be provided once a student has decided what they are requesting. Payment has to be received by the school before a post-results service request is processed with the exam board.

Yours faithfully

Mrs Lesley Haldane
Exams Officer

Post-results services (PRS): deadline and charges – Summer 2026

This information is taken from the JCQ PRS publication summarising the post-results services offered by the JCQ member awarding bodies. The cost includes a small school administration fee. Please note these fees are **per paper** not per subject. You do not have to have all the papers of a subject reviewed.

The services are:

- 1) **Enquiries about results (EAR):** clerical re-check, review of marking, appeals
- 2) **Access to scripts (ATS):** access to marked examination scripts

Post-results service	Awarding Body Deadline	AQA fees	Edexcel fees**
EAR Service 1: Clerical re-check This service checks that all questions were marked and that the marks were totalled correctly.	24 September	£11	£16
EAR Service 2: Review of marking This service checks the marking of the paper by having a second examiner review the marking of the first examiner. It is not a remark. It automatically includes a clerical re-check.	24 September	GCE: £53 GCSE: £46	GCE: £60 GCSE: £52
ATS 1: Copy of script to inform a review of marking or for teaching and learning <u>Fee per subject</u> This service allows you to get a copy of your written papers to help you decide if you want a review of marking (20th August/3rd September) or for teaching & learning purposes (24th September)	20 August (GCE) 3 September (GCSE) 24 September	£3	£3

ATS 2: Cost of script post-review This service provides you with a copy of the reviewed script. Only Edexcel charge for this. Copies must be requested at the time the review is requested.	24 September	Free	£15 added to the service charges

**** These are the 2025 prices. 2026 prices not available until 1st August**

Appeals

An appeal is the last level of service and can only be requested once any post-results services have been completed. They are designed to review awarding body processes and only if a fault were found with these would a grade be altered. Details would be available from the Exams Officer.

You will be given the total price for the services you have requested and asked to confirm in writing that you understand that marks, and therefore grades, can go down as well as up or remaining the same. A review of marking cannot be cancelled once a revised grade has been issued.
