

Borlase@home
Years 7-9

June 26th, 2020

Dear Parents,

I hope you have managed to find a way of staying cool during this very hot week of Borlase@home. Everyone has done incredibly well persevering with their studies and completing assessments in this heatwave.

Thank you everyone who helped out by sending me contacts for marquee hire. I am delighted that we have been able to secure two very large marquees for September to enable us to have more on site learning for everyone. Unless there is a change to government advice following a setback, we should be able to have all year groups back in school at least on a rota from September. We look forward to this very much.

During this term we have now set in place opportunities for Years 10 and 12 into school so look forward to years 7-9 coming back in September along with our new students. We know that this has been a very long period for them all out of school and we will be looking to plan in time for the children to adjust to being back in the school environment at the start of term. Students from all year groups attending Key Worker School are still very welcome. I would like to remind you that this is no longer just for the children of key workers; we have had children in school to sit assessments or to follow Borlase@home lessons if this is challenging at home. Do just send a request to Miss Williams via parents@48 hours beforehand and she will plan for any child who needs to be in school.

I would just like to remind you that there is a change to the timing of the school day for **one week only** - Monday 29th June - Thursday July 2nd. This is to enable us to have movement time and time to clean desks between lessons for Year 10. The Year 12 programme fits with the usual Borlase@home day. On Friday, July 3rd, there is a staff INSET day. As all teachers will be in school for training and planning, there will be no lessons.

A reminder of timings for this one week only.
