## **Borlase Hockey**

To all Parents of New Year 7 Hockey Players, welcome to hockey at Sir William Borlase's Grammar School!

Borlase has an outstanding reputation in school hockey, plus a history of success. Through membership of Marlow Sports Club, players now have daily use of a high quality all-weather pitch that is just five minutes walk from the school. In addition, the excellent coaching team includes, alongside a number of highly experienced and qualified coaches, a dedicated full-time Director of Hockey.

Borlase has always had a rich hockey pedigree, with 54 past and present athletes becoming either senior or junior internationals. Three current Borlase Hockey athletes have been selected for the England Hockey National Age Group Squads over the past three seasons and we hope to add to this number next year. SWBGS is one of very few state schools that can compete nationally at the highest level. Six seasons ago, Sir William Borlase's became the first state school to win the Under 18 Boys' Indoor National Championships and five seasons ago, the school won National Silver for U18 Girls' Indoor Hockey. In 2018, the Boys' U18 Indoor Squad finished in the top four at the Indoor National Championships and have reached the last 16 in the National Outdoor Championships over the past two seasons.

Next season, Year 7 Girls' and Boys' hockey training is likely to be on a Monday from 4-6pm. Fixtures will also take place on a Monday afternoon intermittently throughout the season, but we may have the odd one or two on a different day during the week.

Hockey at SWBGS is a paid for extra-curricular activity. The first child is £120 and subsequent children £110. The subscription includes a personalised training/match t-shirt, regular outdoor training sessions and fixtures during the Autumn and Spring terms.

If you would like your child to play hockey at school, please please log onto [www.parentpay.com](http://www.parentpay.com) by Friday 25 September 2020. If you need another copy of your activation details please email [finance@swbgs.com](mailto:finance@swbgs.com). Due to the current situation, Parentpay is the only option for payment **Please fill in your shirt size and initials in the notes section on Parentpay– without this, the order won't be completed.**

If you already have children who play hockey at the school, a subscription letter will be coming out for them shortly. You will be asked to pay for them separately via Parentpay.

If you have any queries, please do not hesitate to contact me via the school.

We look forward to seeing you all in September.

Yours faithfully

Nathan Monk  
Director of Hockey
