Dear Year 9 Parents

GCSE Science CGP Revision Guides and Workbooks

Year 9 students have started their GCSE Science courses and are following the Edexcel GCSE specification. In order to support students with the course we would like to offer you the opportunity to purchase a set of CGP revision guides and workbooks. There is one revision guide and one workbook for each science subject covering the whole course from Year 9 to Year 11.

Please note all students also have access to electronic textbooks for the Biology, Chemistry and Physics GCSE courses via Active Learn. Students can access this via the following website: <https://pearsonactivelearn.com/app/Home>. Students should email Mrs Morton on emorton@swbgs.com if they do not know their login details.

The cost is £9.00 for the three revision guides or £18.00 for the revision guides and workbooks. If you would like to purchase the books, then please log onto www.parentpay.com using your username and password to pay. If you need a copy of your activation details please email finance@swbgs.com.

Due to the current situation, Parentpay is the only option for purchasing the revision guides and workbooks. If you are currently unable to access Parentpay, please do get in touch with the finance department at the email address above.

The deadline for payment is 9:30 am on Friday 2 October 2020. **NO** orders will be taken after this date.

In line with the school's charging policy, parents are reminded that the School charity Funds exist to assist families whose financial circumstances would otherwise prevent their son or daughter from purchasing the books. Application must be made in writing to Mrs Catriona McLeod, the Business Manager, outlining the reasons why support is required, by the deadline above.

Yours faithfully

Mrs Parsons
Head of Science and Head of Biology
