Dear Parents and Carers,

### **Sixth Form Uniform**

This week our sixth form students have been asked, as part of their leadership role within Borlase, to ensure that they are meeting the uniform standards required.

We would welcome your support in some specific areas of uniform dress.

- Hair should be of natural colour
- Facial piercings should only be worn for cultural reasons
- Skirts should be made of a suit fabric only. No 'stretchy' or 'tubular' skirts should be worn to school
- All students are welcome to wear trousers if they wish.

A copy of the Sixth Form dress code is attached. We have asked our students to ensure these areas of uniform are addressed from Monday 20th September onwards.

If the need to buy any additional items of clothing incurs a problematic financial cost then please contact our business manager Catt Macleod [cmcleod@swbgs.com](mailto:cmcleod@swbgs.com)

Yours faithfully,

Jane Bungey  
Head of Sixth form
